EXPERIENCE

YouTube Manager | Brand Content Strategist

Clinikally | February 2025 - Present

- Own YouTube brand strategy end to end, from brief and creative direction through production to post campaign analysis, across long form, Shorts, and a branded podcast.
- Wrote and directed scripts for paid campaigns that generated over 40 million views, including hook driven ad formats built for fast attention and conversion.
- Grew the channel to 100K plus subscribers and drove 24M plus views in 365 days, a 344 percent year on year increase.
- Used CTR, retention, and audience analytics to test and iterate hooks and messaging, holding 75 to 97 percent retention on top performing videos.
- Delivered 121,400 plus watch hours and built a branded podcast from the ground up, owning format, scripting, and production.
- Managed budget across ads, influencer partnerships, and production, and championed brand voice consistency across every format.

Video Producer

Inc42 Media| September 2024 - December 2025

- Produced branded editorial and founder-led video across healthtech, fintech, and AI for India's leading startup media platform.
- Ran content delivery end to end between editorial and marketing teams.
- Scripted and led on-site production at major startup ecosystem events, including founder interviews and live coverage.

Video Journalist

CoinGape Media | January 2024 - June 2024

- Produced SEO-led crypto and tech explainer video for a fast-growing digital audience.
- Ran keyword research and scripting for digital segments, growing Instagram reach 30%.
- Shipped daily news-led video on tight deadlines, building a repeatable production system.

Digital Journalist

WIONews (Zee Media) | June 2023 - December 2023

- Produced and presented digital stories for a 10.5M+ subscriber channel, adapting broadcast scripts into YouTube-friendly formats.
- Prioritised stories for online audiences using analytics and viewer engagement data.
- Coordinated daily uploads and metadata optimisation with the editorial team.

Social Media Executive

UniFit India | September 2020 - December 2021

- Created and ran community-led social campaigns using live sessions, polls, and audience-driven content for a real estate brand.
- Tracked performance data to refine campaigns and drive steady follower growth across platforms.
